Virtual Classroom Etiquette:

1. Be on time (Class begins promptly at 12:00 pm EDT).
2. Participate from a quiet room on a laptop or desktop.
3. Do not carry on private discussions during class lectures and activities.
4. Have video on (unless instructed otherwise).
5. Make sure your microphone is working.
6. Use headphones/earbuds if at all possible.
7. Have your sound muted when not actively participating (unless instructed otherwise).
8. Dress appropriately. (You are welcome to dress casually as you would for a camp, but no pajamas please.)
9. Make sure that the background in your video is appropriate.
10. Active participation is expected especially in breakout sessions.
