EDUCATION

- 2006 Ph.D. Linguistics, The Ohio State University
Dissertation: *Minding the gaps: Inflectional defectiveness in a paradigmatic theory*
Ph.D. Advisor: Brian Joseph
- 2003 M.A. Russian Linguistics, The Ohio State University
- 2001 M.A. Linguistics, The Ohio State University
- 1999 A.B. Anthropology (university honors), The University of Chicago

APPOINTMENTS**Primary Appointments**

- 2017- Associate Professor, Department of Linguistics, The Ohio State University
- 2015-21 Associate Professor, Department of Slavic and East European Languages and Cultures, The Ohio State University
- 2008-15 Assistant Professor, Department of Slavic and East European Languages and Cultures, The Ohio State University
- 2006-08 Andrew W. Mellon Postdoctoral Fellow in Linguistics, Northwestern University
- 2003-04 J. William Fulbright Fellow & Lecturer, Faculty of Philosophy, University of Split (Croatia)

Other OSU Affiliations

- 2018- Affiliated Faculty, Computational Social Science Community of Practice
- 2011- Affiliated Faculty, Center for Cognitive and Brain Sciences
- 2008- Affiliated Faculty, Buckeye Language Network
- 2008- Affiliated Faculty, Center for Slavic, East European and Eurasian Studies
- 2012-17 Courtesy Faculty, Department of Linguistics

Short-term Positions

- 2019 Visiting Scholar (by invitation), Laboratoire de Linguistique Formelle, Université de Paris & CNRS (June 6-25). Four-seminar series: *Systems-oriented morphology*
- 2017 Faculty (by invitation), LSA's Linguistic Institute, University of Kentucky. Course: *Introduction to Morphology* (July 5 – August 1)
- 2017 Visiting Professor (by invitation), Ghent University. Course: *Inflectional Morphology* (April 24-28)
- 2017 Visiting Scholar, Laboratory for Experimental Psychology, Faculty of Philosophy, University of Belgrade (April 3-21)
- 2016 Visiting Scholar, Linguistics Department, Northwestern University (October 1-31)

RESEARCH INTERESTS

morphology (theory, typology, change); inflectional structure, esp. inflection class organization; affix-ordering and morphotactics; the lexicon; emergent grammar; quantitative typology; corpus methods; South Slavic and Balkan languages, esp. Bosnian/Croatian/Montenegrin/Serbian; Russian; Modern Greek
